## ENDOW THE FUTURE PROGRAM

---

The endowment of Grand Lodge operations is an important part of insuring our future because it is the one issue that has too often generated strife in our Fraternity. Through adequate funding, a situation nonexistent in most of our history, we stand to undertake meaningful programs and develop useful resources geared to provide membership benefits and aid our growth.

The financial endowment of our Grand Lodge in the future is critical, not only to the Grand Lodge itself, but to each of the subordinate Lodges. It is hoped that the combination of future growth and continuing contributions will, at some point in the future, provide the ability to expand our charity work State-wide and at the same time, provide some financial support for our future operations.

This program provides an opportunity for anyone, member or nonmember, to contribute directly to the endowment. The purchaser initially receives a Diamond Award Pin and Certificate. With each subsequent donation of Fifty Dollars (\$50.00), the purchaser receives a fob to be attached to the original pin, indicating the total number of Diamonds purchased.

Any person purchasing 200 Arkansas Diamonds, a total contribution of \$10,000.00, will be honored by having their photo placed on permanent display in the Diamond Alcove, located at the entrance to the Grand Lodge.
