

CERTIFICATE OF DIMIT
(Between Lodges in Arkansas)

This is to certify that Brother _____, by the consent of _____ Lodge # _____ has on this day been issued a Certificate of Dimit. This Certificate serves as evidence of a previous affiliation with a regular Lodge within the State of Arkansas. However, this Brother's membership in the Arkansas Masonic Fraternity is hereby terminated and he is placed in the status of a non-affiliated Mason. Use of this Dimit for the purpose of petitioning another Lodge for membership is limited to Lodges under the jurisdiction of the Grand Lodge of Arkansas.

Initiated: _____ Passed: _____ Raised: _____
in _____ Lodge # _____.

As a non-affiliated Mason, although he is not a member of any particular Lodge, he is still a Masonic Brother and remains entitled to the sympathy, assistance and charity of the Fraternity. Furthermore, he is also subject to discipline for un-Masonic conduct by any Lodge in whose jurisdiction he may reside. Fraternal relations may be conducted with a non-affiliated Mason until such time as he becomes *willfully non-affiliated*, as defined in our Digest of Laws. Willfully nonaffiliated Masons are in the same class as suspended or expelled Masons: they are not entitled to any of the benefits of the Fraternity.

This Certificate is issued to Master Masons who desire to terminate their membership with the Arkansas Masonic Fraternity. Entered Apprentices and Fellow Crafts shall not be issued a Certificate of Dimit, but rather a Waiver of Jurisdiction. Should a previous member desire reinstatement in a Lodge in Arkansas, he shall present this Certificate of Dimit along with his Petition for reinstatement.
